

PRECISION MACHINE COMPONENTS
AND ASSEMBLIES

A PARTNER
YOU CAN
DEPEND UPON

COMPANY PROFILE

1987 saw the inception of Kems Auto Components Ltd. (Kems). We at Kems manufacture precision machined components & assemblies and is a well known and reputed name in the Industry. Kems components play a vital role in various sectors of the Industry including Automotive, Hydraulics, Earth Moving Equipments and Defence.

The beginnings of the group dates back to 1967 as a Steel rolling and Marketing house in Kolkata. The group then ventured into Forgings and machined components and over the years has achieved many a mile stone. Today the group is one of the preferred suppliers in the Industry, not just in India, but globally.

Throughout its journey, the group has achieved consistent growth earning unmatched success in terms of financial turnovers as well as customer goodwill.
